SAINTSBURG

Saintsburg Code of Conduct

Saintsburg is a Christian Tutoring Centre. Our aim is to create a safe environment where Christians can thrive. Essentially, we are conservative, trying to protect the innocence of our students.

The code of conduct is not intended to be a complete list of everything to refrain from, but rather as the minimum number of rules needed for everyone to know what is expected of them to maintain harmony at Saintsburg.

A. General Rules

- **1.** The first rule at Saintsburg is that you may not prevent anyone else' learning. Please respect others' right to learn.
- 2. We should all treat each other with kindness and respect.

- **4.** No form of bullying is okay please stand up for the underdog and report any form of bullying.
